Dr. Goldziher Ignác úrnak

VII, Holló-utca, 4

Dear Dr. Goldjilow,

I have been ill with sore  
throat and could not see you  
Thursday on that account. Can  
you come to my lodging to-day  
(Saturday) and save my going  
out? If so, I shall be much  
obliged, and the tea will  
be ready for you!

Your affectionate pupil,

F.D.C.
